

SAFE. SIMPLE. SMART.

EdgeMarket

PROCUREMENT

EDGEMARKET

provides Safe, Simple, Smart procurement for solutions that drive positive outcomes to realize and achieve institutional strategy and technology goals.

SAFE

EdgeMarket procurements are “audit-proof” as a result of our thorough public bidding and procurement process.

SIMPLE

EdgeMarket enables participants to work directly with vendors and accelerate purchasing via a validated contract mechanism.

SMART

EdgeMarket helps participants identify and source the solutions you need with a price and purchasing model that makes sense.

AS AN EDGEMARKET PARTICIPANT, YOU RECEIVE:

- ▶ Access to an extensive and growing catalog of contract vehicles for vetted technology solutions and vendors.
- ▶ Access to Edge nonprofit technology advisors to answer your questions and/or provide dedicated services that your institution needs.
- ▶ Expert procurement advice, collaboration, and best practices from the EdgeMarket team.
