

# 2023 RATE SHEET

VIEW FROM THE Edge.

EdgeDiscovery  
RESEARCH · CONNECTIVITY · COLLABORATION · PARTNERSHIPS

Click on the publication image to access the entire collection of current and past editions of the magazine.

Our premiere publications, *View From The Edge* and *EdgeDiscovery* aim to highlight the entire Edge community, explore emerging trends impacting members, encourage member-to-member engagement across the Edge universe, and spotlight current issues impacting the seven Edge sectors including:

-  Colleges and Universities
-  K-12 School Districts
-  Research Entities
-  Government Agencies
-  Libraries
-  Hospital Networks
-  Nonprofit Businesses

Articles focus on success stories across the entire Edge universe with topics ranging from:

-  Cybersecurity
-  Educational technologies
-  Research collaboration
-  Cloud computing
-  Member Case studies
-  Strategic partner spotlights

Both publications are available online in full viewable format. Click the hyperlinked publication names to view:  
[View From The Edge](#) and [EdgeDiscovery](#)

3,000 print copies are distributed to Edge member institutions and organizations in Delaware, New Jersey, New York, Oregon, Pennsylvania, Tennessee and Virginia. The reach is expanded with nearly 21,000 individuals receiving the bi-annual publications via digital communications.
