

A decorative audio waveform at the top of the page, composed of vertical lines of varying heights and colors (pink, purple, blue, teal) that resemble sound waves.

Intro to EdgeCast

Adam Scarzafava

Associate Vice President for EdgeEvents
and Digital Marketing, Edge

Adam Scarzafava Hello Edge Community, I'm Adam Scarzafava, Associate Vice President for EdgeEvents and Digital Marketing. I'm excited to welcome you to our new content series, EdgeCast.

With EdgeCast, you can expect wide-ranging, in-depth discussions exploring the intersection of education and technology. We'll also explore industry trends and case studies, and feature conversations with Edge's internal experts along with industry leaders, institutional innovators, and more.

Over the next few weeks, our first EdgeCast series will explore accessibility in digital education with Edge Chief Digital Learning Office Joshua Gaul and instructional designer and accessibility expert, Dr. Laura Romeo.

And we want to hear from you! Would you like to join EdgeCast and discuss an innovative project at your institution? Do you have topics you'd like to see explored in the future? Let us know in the comments of any of our videos—EdgeCast is just getting started, and we can't wait to show you what's coming!
