

# YOU ARE INVITED

## The Impact of AI on Education

**December 6, 2024 12:00-1:00 ET (Virtual event)**

**Presented by Lukman Ramsey, Ph.D.**

Head of AI Solutions, Public Sector and Education, Google

This presentation will explore the transformative role of artificial intelligence in the educational sector. Drawing on Dr. Ramsey's extensive experience, he will outline the key challenges currently being addressed by AI technologies and will delve into specific applications, particularly in AI-driven tutoring and personalized learning experiences. The discussion will highlight innovative solutions developed by Google, demonstrating recent advancements and envisioning the future trajectory of AI in education.

**Please join us for this informative session and feel free to share the event information with your networks.**
